Re: IB and AP exams

Attached please find the exam schedule for this year's IB and AP exams; you can also find a copy on the school website, www.sshs.rvcschools.org. The following attendance policy will take effect from May 3rd through May 24th.

All students who are taking IB and AP Exams

On the day students take an exam, they are excused from regularly scheduled classes. All students must attend classes on non-test days.

This policy applies to both students who are full IB diploma candidates and those course candidates who are taking one or more exams. Teachers are to continue to report accurate attendance and hold classes each day. Students shall continue to be responsible for long-term assignments and commitments.

All students in IB and AP classes must take either the IB or AP examinations for that course. Failure to take the examination will result in the removal of weighting and the IB/AP designation from the final transcript, and the student will be required to take a school final exam as their cumulative assessment. In addition, the student will not be excused from the class in order to participate in ASSESS.
